APRIL NEWSLETTER

MESSAGE FROM THE PRESIDENT...

It's hard to believe that Spring is here and the planning for the Art Festival is in full swing. Many thanks to our dedicated group of women who take on the responsibility and your continued support for making sure this major fundraising event will be another great event. Abundant gratitude to our Scholarship Co-chairs and other members for analyzing the many scholarship applications we receive so we can choose recipients. I know that so many of the applicants are excellent students and that alone makes the committee's job complex. It just astonishes me what a magnificent group of women we have as members of LCWC. You all make the Club what it is and your kindness and bigheartedness shows in every event we have to offer. You represent the true meaning of Charity and Community! I am proud to be part of this small, but impactful women's club that cultivates educational, philanthropic and social exchange that inspires member engagement and gives back to our community.
