## FEBRUARY 2021 NEWSLETTER

### MESSAGE FROM THE PRESIDENT...

January is already past and we are on our way to spring. July will be here before we know it and the annual Art festival is still on plan. Current obstacle, COVID plan according to the CDC guidelines. The document prepared by Mary Beth is in the hands of the parks department for discussion. Hopefully we will know if our plan is acceptable before the meeting. The Art festival will be done by committee and some of the teams are set up. There will be a way to sign up for assistance which is yet to be determined. Please sign up for one of the needed areas for participation in this great event. This is our largest fund raiser of the year and we WILL need your help to make it successful..

We are proceeding with artist jurying. Some Artists have rolled over the entrance fee from last year, but new ones will need to be reviewed. Linda Otzelberger is working

on a safe way to do this task. There will be some jurying needed for new ones.

The application for the artists for the Festival is available on the website.

More information on the scholarships will be available also.

I look forward to seeing you all at our next meeting on Tue. February 16th Via virtual meeting. The details on the virtual call will be sent separately.

Thanks,

**Denise Marx**

## COMMUNITY PROJECTS

These are the Charities we have given to this year!

Christmas Clearing Council  
Hartland Food Pantry  
Kettle Moraine Pantry  
Hope Center  
Waukesha Dental Clinic  
The Caring Place  
Lifestriders  
Tricia's Troops  
Hebron House

ERAS  
NAMI Waukesha

Requests for donations are slowly coming in, but we have received a few thank you notes. Some of the notes from last year's donations, but one that stood out to us was one from **Blessings in a Backpack.**

*This donation of \$500 was actually given from the Education Fund, but we thought it was worth mentioning. With our Club donation they were able to provide 125 lunches and free weekends for kids in need in our county.*

Grateful that our club was able to make this possible!

If there is a charity you know of that is in need right now, please let us know.

Thanks,  
**Patty and Debbie**
