We are proud to be able to support charitable needs through our fundraising events. To help make a difference in the community, **each member must participate in our signature event, The Lake Country Art Festival.** In addition, each member must participate on a committee involved in dispersing money our club raises to the Lake Country Area. Your contribution is vital to the success of the club.

In addition to participating in the Art Festival, please choose one of the following two Committees you would like to join for the upcoming year:

- Community Projects: This committee has three jobs---
 1. Charitable giving: committee chooses charities to receive grant money from the group
 2. Member volunteer activities/projects: committee chooses “hands on” projects like putting together hygiene packets, cooking for the homeless shelters, playing bingo with seniors, wrapping toys for needy children, etc.
 3. Helping Hands: the committee works to choose charitable giving projects for each month. Every member is asked to contribute to the monthly project at the meeting.

- Education/Scholarship Committee: Help with the selection of scholarship recipients and funding for various educational projects throughout the community.

We also have opportunities if you have an interest in helping or serving in other capacities either now or in the future: (please check as many as you want)

- Membership: Focus on ways to increase and retain membership with advertising and participation in events, that will increase awareness and membership of the group. Also welcome members to the monthly meeting, keep membership profiles and rosters up to date on website and for members.

- Website, Social Media/Publicity and Communication: Responsible for overall communication and publicity of the Club.
