

## **COMMUNICATION UPDATE!**

Welcome to our new email distribution method! We will be combining our newsletters with meeting reminders and are moving away from yahoo groups as our email distribution system. We are in the process of "cleaning up" our email lists and would love your help! **If you do NOT want any emails from us and wish to have your email removed from our database, please email [lakecountrywomensclub@yahoo.com](mailto:lakecountrywomensclub@yahoo.com) in addition to selecting "unsubscribe" at the bottom of this email.**

**If you would like to continue to hear about our public events and support our organization but do not plan to be a LCWC member, please email [lakecountrywomensclub@yahoo.com](mailto:lakecountrywomensclub@yahoo.com) to let us know to switch you to a "friends of LCWC" mailing list in which you will receive limited emails.**

If you plan to remain/become a LCWC member you don't need to do anything unless you are receiving this at multiple email addresses and want us to remove any.

Hopefully this new communication will help streamline things and we really appreciate your help while we are making the migration!

Thanks! *Holly and Laurie*

# SEPTEMBER NEWSLETTER

## MESSAGE FROM THE PRESIDENT...

Hello everyone. I am excited to get ready for another successful LCWC year with all your support and dedication. This time of year is always hectic. Our twins started their second year of college and as we bought all the household items for their apartment, ordered the books and decorated their new place, I gave each of them a tube of toothpaste and asked them to squirt it out onto a plate. (with weird looks & hesitation on their faces, they did it). When they were finished, I calmly asked them to put the toothpaste all back in the tube. They both began exclaiming things like “but I can’t” and “it won’t be like it was before”. I quietly waited for them to finish and then said the following:

“You will remember this plate of toothpaste for the rest of your life. Your words have the power of life or death. As you go into your next year of school, you are about to see just how much weight your words carry. You are going to have the opportunity to use your words to hurt, demean, slander and wound others. You are also going to have the opportunity to use your words to heal, encourage, inspire and love others. You will occasionally make the wrong choice; I can think of a couple of times I have used words carelessly this week myself. Just like toothpaste, once the words leave your mouth, you can’t take it back. Use your words carefully. When others are misusing their words, guard your words. Make the choice every morning that life-giving words will come out of your mouth. Decide tonight that you are going to be a life-giver in college. Be known for your gentleness and compassion. Use your life to give life to the world that so desperately needs it. You will never, ever regret choosing kindness.”

I say these same words for our members, let’s continue our dedication and I encourage each of you to continue to provide small acts of service and kindness to lift and bless another.

I am looking forward to a successful year and thank you for your ongoing commitment to help impact the lives of others.

Please feel free to contact me any time!

## **FROM THE TREASURERS...**

We look forward to another great year! We will present our draft budget for the club in October, but based on last year's very successful fundraisers, we will have lots of funds available to donate this year! We are considering a "Spotlight" community charity this year (a non-profit charity that we will donate a one time larger donation)! Look for more details in October.

*Tricia and Mary Beth*
