COMMUNICATION UPDATE!

We are still in the process of "cleaning up" our email lists and would love your help!

If you do NOT want any emails from us and wish to have your email removed from our database, please email lakecountrywomensclub@yahoo.com in addition to selecting "unsubscribe" at the bottom of this email.

If you would like to continue to hear about our public events and support our organization but do not plan to be a LCWC member, please email lakecountrywomensclub@yahoo.com to let us know to switch you to a "friends of LCWC" mailing list in which you will receive limited emails.

If you plan to remain/become a LCWC member you don't need to do anything unless you are receiving this at multiple email addresses and want us to remove any.

Hopefully this new communication will help streamline things and we really appreciate your help while we are making the migration!

Thanks! *Holly and Laurie*

OCTOBER NEWSLETTER

MESSAGE FROM THE PRESIDENT...

For most of us, fall's arrival brings an increased number of commitments and activities—some done out of passion and excitement, and others out of sheer obligation. When our days are full and we're on-the-go, it helps to build in occasional breaks to offer ourselves a chance to reboot. Take a moment to reflect on what you feel *Thankful* for either in this day or in the bigger picture of your life. Sometimes we can get so bogged down with our plans and activities—and by the stresses of the daily grind—that we forget to remember what's most precious and essential in our lives. Bringing such things to the forefront of our mind can help uplift our spirit, recharge our energy, and realign us with our priorities. As our club prepares for the upcoming fundraising events, get engaged and volunteer – a great way to take a break, connect with friends and enjoy some camaraderie. I look forward to seeing all the Fall Fashion Event.
